Applicants should note that the notice of allowability indicated claims were renumbered incorrectly for publication. This letter is to inform Applicants of the reordering of the claims. Because original claim 18 cannot depend on a later recited claim, issued claims 18, 24-32, 35, 40-47, and 74-78 have been renumbered 24 and 1-23 respectively for publication.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
